

Awards “fest” for NeuroMuscular Centre!

Cheshire's amazing NeuroMuscular Centre (NMC) has been picked out for recognition in two major and prestigious awards.

The much acclaimed NMC was short-listed to the final 5 in two separate categories of the **Morgan Foundation's 2009 Entrepreneur Awards**. NMC is extremely proud to have won "Runner-up" in the Best Entrepreneurial Charity/Social Enterprise Category.

NMC Design+Print's manager and inspiration, Dan Cundall, was a shortlisted finalist in the "Against all odds" category for the second year.

"These are exciting times for the Design+Print team" said Dan, "We are so proud to have been winners in the Morgan Awards and such recognition for a firm like ours staffed and managed almost entirely by people with muscular dystrophy is a real boost for us all".

The awards evening was on 19th November at Carden Park Hotel, Chester where Matthew Lanham (NMC's Executive Director) and Dan Cundall were presented with the award and a cheque for £2500.

Charity Awards 2009

The NMC was also shortlisted into the last 30 for the highly prestigious national **Guardian Charity of the Year 2009** – the 17th year for this award. With 500 charities nominated this is huge recognition of the work and importance of the UK's only centre for adults with muscular dystrophy. No where else in the whole country enables adults with this cruel and relentless muscle wasting condition to lead such fulfilling and rewarding lives.
