Circus Workshop coming to Winsford

NeuroMuscular Centre hosts a Family Fun Day on Saturday 16th June

Have you or your children ever wanted to learn how to juggle or spin plates? Have you ever heard of a Diabolo and would you know what to do with it?!

Well here's your chance to learn and have loads of fun. The NeuroMuscular Centre in Winsford is hosting a Family Fun Day with something for everyone on Saturday 16th June.

PHOTO CALL....

10.00am Thursday 24th May, with Zippy The Circus man outside the NMC – loads of Circus equipment and Centre users, posters about the event etc etc.

With everything from face painting to games, fun races and stalls. There'll be a bouncy castle and BBQ food and refreshments all afternoon.

And a fantastic Circus Skills workshop for children of all ages and abilities.

Entry is **FREE**. "We are delighted to invite all our friends and neighbours here in Winsford and beyond, to come down and enjoy a fun family afternoon out. We are very pleased that this event has been sponsored by Cheshire Building Society" said Matthew Lanham, Director of the NMC.

“We know a lot of people in Winsford haven’t even heard of us, and perhaps don’t know what we do. Well, if you come along to the Fun Day you’ll get the chance to learn a little more about us and why Winsford should be immensely proud to be home to this groundbreaking charity” Matthew added.
