The NMC Lottery is a weekly event with a difference. For just £1 a week you can win 4 weekly prizes of £10, a monthly prize of £50, a quarterly prize of £250 and a yearly prize estimated at £900. You will also be raising money for the NeuroMuscular Centre (NMC), a charity that serves people with muscular dystrophy in the North West.

There is no limit to the number of players in the NMC Lottery. The more numbers you buy the more chances you have to win prizes. After deducting a small running cost of no more than £1 per year, half of the money raised will be awarded as prize money and half will be donated to the NMC.

We notify all winners individually by post and the winning numbers are also announced on our website.

The NMC Lottery was formerly called NMC 100 Club but because the number of members has grown and exceeded hundred it has recently been renamed NMC Lottery!
