

## NeuroMuscular Centre

The Centre of Excellence for People and Families affected by neuromuscular conditions

# COMMUNITY AND EVENTS FUNDRAISER

An exciting opportunity has arisen for a Community and Events Fundraiser to join a unique charity in Cheshire!

We are looking for an enthusiastic fundraiser to create and grow income opportunities through events and community activities for the NeuroMuscular Centre; a charity in Winsford that provides a range of unique, specialist services for people with neuromuscular conditions. The Centre is a warm, vibrant community that exists as the only one of its kind in the UK and Europe. You'll be joining a successful fundraising team that together raises £500,000 per year, and a charity that has been enhancing the quality of life of people affected by neuromuscular conditions for 34 years.

You'll be maintaining NMC's existing events calendar, which includes a well-established outdoor tribute concert and quiz night, as well as having the autonomy to develop the calendar further and put your own stamp on it.

You'll also be managing our community fundraising income, which includes individual giving, lottery, working with local groups and supporting individuals with their own fundraising activities.

You will be developing and building relationships with new and existing supporters to maximise fundraising potential, as well as recruiting and managing volunteers from all walks of life.

The ability to work independently is a must – you'll be responsible for all aspects of Events and Community fundraising. We're looking for someone with previous fundraising experience, with the ambition to take this to new levels.

If this sounds like you, we'd love to hear from you! Please send your CV and supporting statement to [ben.dale@nmcentre.com](mailto:ben.dale@nmcentre.com). If you'd like an informal chat about the role first, please contact Claire on 01606 86173.
